Hi Judy,

Thank you for checking with us! We are accepting FedEx deliveries and other mail, including Loomis deliveries, and we are still processing checks. We are requesting departments to instruct donors to send gifts directly to our office at [1995 University Ave., Suite 400, Berkeley, CA 94704-1070](#). Our building is closed to the general public and campus partners alike, so drop-offs are not possible.

I hope this helps. Please don't hesitate to let me know if you have any additional questions.

Kind regards,

Brigid Halligan
