ERSO's April Spotlight

This month, ERSO shines a spotlight on Taylor Madison— "Taylor started with the ERSO Student Hiring Team in July 2019. Since the beginning she has been a consistent support to the team. Taylor is constantly looking for ways to improve and streamline processes. She supports a large student population and goes out of her way to ensure that they are paid in a timely manner and that their questions and concerns are addressed promptly. Taylor is always available to answer questions from team members and we are very lucky to work with her!"

Congratulations, **Kasandra Casillas** – we salute you!

"Kasandra is a MACHINE! It feels like no sooner have I seen a reimbursement request come through then the next thing I see is an email from Kasandra saying that the same request is ready for review and approval. I'm constantly astonished, and I am SO appreciative of her and her outstanding speed. She really goes above and beyond in processing these requests quickly and correctly. So glad she's a part of the ERSO Organization. Thanks so much again, Kasandra!"
