"Give me the splendid, silent sun with all his beams full-dazzling." – from Leaves of Grass by Walt Whitman

WELCOME,

Emilia Castaneda – RA Team
Karen Headrick – RA Team
Kevin Matthews – Purchasing Team

We're glad you're here!

Congratulations, Veronika – We salute you!

"Veronika embodies so many of these attributes, but this is really for 'problem solver' and 'above & beyond' for this nomination. She has taken the lead on the new CF1 system-wide updates for ITS. It's a massive undertaking, and she has spent a LOT of time delving into the data, capturing all the various components to ensure we have all the necessary pieces, and presenting actionable items to the leadership team, CGA, and the ERSO RAs while being transparent and fielding questions from various stakeholders. Not to mention that she is doing all of this on top of managing her portfolio, team, and onboarding a new RA3. I don't know what ERSO would do without her or where she finds the time, so THANK YOU, Veronika, for all you do for ERSO and for the RA team."
