## Alice Wong – We salute you!

*“Alice Wong is an excellent employee. It is much easier to navigate the ever-changing landscape of guidelines here at CAL with Alice's help. Time and time again Alice has gone above and beyond to help us at the zero hour with last minute emergency requests. She has also helped us figure out better options for vendors and supplies that save us money in the end. I really appreciate her friendly and can-do attitude and her ever willingness to help us. We really couldn't do what we do without her.”*

*“Alice was such a great help and went above and beyond with a quick turnaround request the day of the deadline for the CRA exam registration for an RA. She quickly stepped in, set up a zoom call with the RA, and handled the registration the day of the registration deadline. So grateful to her and Cynthia for making this happen so quickly while I was out of the office and for ERSO covering the initial exam costs. Thank you!”*
