A note from Cynthia...

I am excited to announce a new feature, **Employee SPOTLIGHT**, on our ERSO Celebrations page. Every month, we'll be featuring an employee and sharing a little about them. It's our hope that you'll learn a little about your colleagues while we celebrate their contributions.

Thank you, Laman, for being a part of the ERSO team for all these years, we appreciate and value you!

Our very first Employee Spotlight goes to, **Laman Sadaghiani, Research Administrator.**

We shine the spotlight on Laman this month because she is always focused on a culture of excellence and fairness. She is reliable and consistently performs at a high level. Laman has been an important and constant contributor to ERSO, not only for partnering with her faculty to bring in research dollars, but for advocating for all employees to ensure they are represented fairly.

Laman does not shy away from voicing her opinions in hopes to implement change. She is openly honest which creates opportunities for learning, which ERSO is always striving for.

"We had an important department event, the details of which only came thru at the last minute. Michael helped us get the approvals we needed - all on a Friday (for a Saturday event). He was a real team player, helping us with these last minute approvals. My team and I want to thank him for being such a good TEAM PLAYER. Thank you!"
