Cynthia Weekley  
Taryn Goomishian  
David Anderssen  
Tannaz Ghorban

...and the August Staff Salute Winner is **Helena Gin**

“Helena Gin recently helped by performing a Herculean task of deleting 1876 speedtypes in BFS in order to help with the Physics Dept ID transition to new Dept IDs. We are extremely grateful to Helena for fitting this in with her other work and diligently and steadily plowing through this enormous
